

## General Information

### Vision

Through our commitment to innovation, excellence and inclusion, we will be the educational provider of choice and pathway to success for all.

### Mission Statement

SUNY Adirondack enriches and transforms lives and communities through accessible, lifelong educational opportunities.

### Values

With student success at the heart of our work, we believe in:

- Lifelong Learning: Education is transformative through endless learning.
- Thriving Communities: We are successful when we partner as a community, for the community.
- Open Access: Higher education opportunities for all, inclusive of diverse backgrounds, ages, goals and learning styles.

### About SUNY Adirondack

SUNY Adirondack is a community college that offers a wide variety of associate degrees, certificates and a variety of workforce training options. The college has multiple locations to serve the community. The main campus in Queensbury, the Culinary Arts Center in Glens Falls and an extension center in the town of Wilton. SUNY Adirondack offers small classes, dedicated faculty, and a student centered learning environment. Sponsored by Warren and Washington counties, SUNY Adirondack is part of the State University of New York (SUNY) system and is governed by local and state trustees who care about our community. SUNY Adirondack is accredited by the Middle States Commission on Higher Education.

On the Queensbury campus, the opportunities are limitless. Students can view great art at the Visual Arts Gallery, attend lectures by visiting writers and poets, access the Scoville Learning Center and its Academic Computing Center seven days a week, stroll through the arboretum, cheer on our teams, experience our salt-water aquarium, live in our on-campus residence hall, passionately discuss ideas and develop an appreciation for the well-rounded citizen of the world - right here at SUNY Adirondack.

### Tobacco-Free Campus

SUNY Adirondack is committed to providing students, employees, and visitors with a safe and healthy environment. As of March 2014, SUNY Adirondack is a tobacco-free facility.
