

Accessibility Services

The Accessibility Services Office at SUNY Adirondack is committed to providing students with disabilities with an equal opportunity to benefit from all of its programs, services, and activities by providing access, reasonable accommodations, and effective communication in accordance with the Americans with Disabilities Act Amendment Act of 2008 (ADAAA), Americans with Disabilities Act of 1990 (ADA) and section 504 of the Rehabilitation Act of 1973. The Office also assists with coordinating services for students sponsored by programs and agencies such as Adult Career and Continuing Education Services- Vocational Rehabilitation (ACCES-VR) and the New York State Commission for the Blind (NYSCB), to support eligible students in pursuing higher education.

Students with disabilities are encouraged to contact the Accessibility Services Office as soon as they have committed to attending SUNY Adirondack. This will allow ample time to verify eligibility and to begin the process of identifying appropriate accommodations or support services based on individual need.
