Please read the following:

- 1. SUNY Adirondack does <u>not</u> offer any radiologic technology specific coursework.
- 2. Students wishing to declare this major <u>must</u> either be currently enrolled in or have completed a radiology certificate program from an external agency. Students not meeting these criteria shall declare the Liberal Arts Math Science (LAMS) degree.
- 3. This program involves transfer credit from an accredited certificate program in radiologic technology.

NOTES:			·		

1. Students registering for the Radiologic Technology Degree must be currently enrolled in a Radiologic Technician certificate program or have completed a Radiologic Technician program.

 Students who are not enrolled in a Radiologic Technician program and do not have a certificate from a Radiologic program must register as a Liberal Arts and Science major. (There are limited spaces available in Radiologic Technician programs in New York State)

3. Students completing the requirements from the Radiologic Technology degree who have not been accepted into a Radiologic Technician Certificate program are not guaranteed a spot in a certificate program.

4. The anatomy and physiology taken as part of the Radiologic Technician Certificate program is not equivalent to BIO 107 and BIO 108 (Human Anatomy and Physiology I and II). Students are required to take Anatomy and Physiology at the college as part of the degree program.

DEFINITION OF COURSE REQUIREMENTS: See <u>http://catalog.sunyacc.edu/academics/degreerequirements</u>

FINANCIAL AID RECIPIENTS: A student <u>must</u> choose courses that are within their degree program. Students are encouraged to meet with their assigned academic advisor for any questions about course selection and degree program requirements. Please visit the Office of Financial Aid for any aid-related questions.
