Bill Adjustment/Liability Schedule

Students who officially drop or withdraw from the College may be eligible for a bill adjustment. The adjustment is determined by the date the student processes a Drop/Add or Withdrawal form at the Registrar's Office, according to the schedule noted below (some exceptions may apply). Federal aid recipients who withdraw completely before completing 60% of the semester will be subject to the federal government's Return of Title IV (Federal) Funds regulation (see topic in Financial Aid section of catalog).

Students who unofficially withdraw, in part or whole, are 100% liable for all tuition and fees.
